

The background is a solid dark blue. In the top-left and bottom-right corners, there are decorative geometric shapes. Each shape consists of a yellow outline of a parallelogram. Inside the yellow outline, there is a smaller parallelogram filled with many thin, vertical, light blue lines.

Vestibule - 2021 Innovation Fellowship

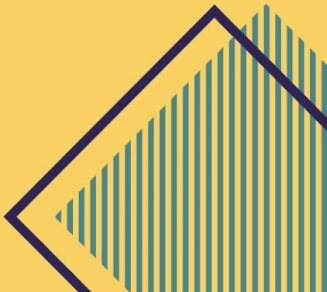

CONGRATULATIONS!!

You have successfully made it to the last phase of the application process, Vestibule!

We will be reviewing what vestibule is, who will be grading and supporting through vestibule, and what is to be expected,

Expectations for the Session:

1. Be Present
 2. Take Notes
 3. Be Respectful
 4. Write down any questions you may have so you don't forget to share when we are answering questions
- 

What is Vestibule?

The vestibule period is the final part of the application process, which is an online pre-training program that will help students gain fundamental skills and allow them to hit the ground running for the fellowship.

Vestibule is made up of 7 modules on topics ranging from HTML and CSS to programming fundamentals.
